Claims 34-35 are allowed for the following reasons:

Claim 34 is allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious said silicon substrate carrier also includes a transparent film layer, on which said at least one alignment mark is deposited, and a window section over which said optoelectronic device is mounted in combination with the rest of the limitations of the base claim. Claims 35 depend on claim 34 and therefore it is also allowable.
